ATTENTION : [REDACTED] Chief, MFD

SUBJECT : Military Personnel Requirements for Fiscal Year 1957

1. Attached are the Military Personnel Requirements of the DD/S components for FY 1957 excluding the Office of Security. The latter office has advised that it has no requirements for military personnel.

2. Review of the responses indicates that the following are the only increased requirements:

Office of Personnel . . . . . 1 Airman Personnel Clerk

Medical Staff . . . . . 1 Reimbursable Commissioned Medical Officer

3. The Office of Logistics is the only office specifically calling attention to a desired revision in grade structures. A comparison of the replies with existing grade structures will disclose whether or not other support components desire such revisions also.

4. The submission of this report does not constitute approval of the ceiling increases reflected in paragraph 2. above. The components concerned have or will secure the necessary ceiling adjustment through normal channels and procedures.
